Bruce,

Thank you for the photos. I will give them to LAPD this afternoon.

For the very first time i have managed to document dumping next to the
Cabrillo
by individuals that don't appear to work for you.

High res images available on request.

Check your cameras around 2:21 pm today.

BTW: Has Lorena mentioned to you that I consider the dumping activities in
this area
by your employees as grounds for your dismissal from the PBID board?
